Biography

Hi! I'm a junior front-end web developer who's been self-learning ever since I was ten years old. I'm graduating in May 2018, I've played with a lot of technologies, such as **HTML**, **CSS**, **JavaScript**, **jQuery**, and **Bootstrap** for websites. I've started a website hosting and website development company in 2009 that helped local businesses establish a web presence by creating, hosting, and maintaining their company website and email server. I'm a Microsoft **MTA 98-361** certified "*Software Developer*" in the **C#** language. I've made 2D & 3D games in **C++**, **SDL**, **C#**, **XNA**, and with commercial engines such as **Unity3D** and **Unreal Engine**.
